Do You Have A Minute, LLC
P.O. Box 650, Rogersville, MO 65742
Ph. (417)753-3674 Fax (417)753-3634

This contract confirms the reservation to the stallion **Do You Have A Minute** for the year 20____
to the mare:

_____ (Name)

_____ (Breed)

_____ (Registration #)

Owned By _____ (Name)

Stallion Owner's Responsibilities:

1. Semen Shipping:

Semen will be shipped to mare owner/DVM in an approved shipping container on normal collection days of Monday, Wednesday, and Friday upon prior notification by mare owner/DVM. Although it is the breeder's goal to settle the mare with the first shipment, there is no guarantee regarding semen condition once it leaves the breeder.

2. Conception Guarantee:

Should the mare not conceive this breeding season, she may return the next season with the same privileges after which the contract will be fulfilled. Should the mare be determined unfit for breeding at any time, another mare may be substituted.

3. Live Foal Guarantee:

Should the mare abort or not produce a live foal that stands and sucks at 48 hours, she is entitled to a return breeding through the next season after which the contract will be fulfilled.

4. All Inclusive Breeding Fee:

The breeding fee includes the non-refundable booking fee as well as the first collection and standard shipping fee. Any special shipping fees or subsequent collection/shipping fees are the responsibility of the mare owner.

5. Breeder's Certificate:

Issued for live foals when all fees and expenses have been paid in full.

6. Loss of Stallion Services:

The breeding fee (less booking and used collection and shipping fees) will be refunded if the stallion should die, be sold, or become unfit for breeding prior to settling the mare.

7. Loss of Mare:

The breeding fee (less booking and used collection and shipping fees) will be refunded if the mare should die or become unfit prior to settling, unless the mare owner elects to substitute another mare.

Mare Owner's Responsibilities:

1. Payment of Fees:

Agrees to pay a non-refundable booking fee with this contract and the balance of the breeding fee to the stallion owner prior to semen shipment. Special shipping fees and subsequent shipping fees will be paid to the breeding manager.

2. Requesting Shipments:

Call manager prior to requesting semen to verify collection dates/times. Call-in orders by the evening before collection day.

3. Notification of Abortion or Foal Death:

Stallion owners must be notified within 48 hours by registered mail. A licensed veterinarian statement of details should follow within 10 days or guarantee is null and void.

4. Risk Assumption:

Assumes all responsibility and risk for mare injury or loss by any cause holding the stallion owner and breeding manager harmless for any damages.

5. Mare Registration Certification:

Include a copy of the mare's registration certificate with this contract.

Conditions:

This contract represents the entire agreement between stallion and mare owners as bound by their signatures, is non-assignable and non-transferable, and will be interpreted and enforced under the laws of the State of Missouri.
